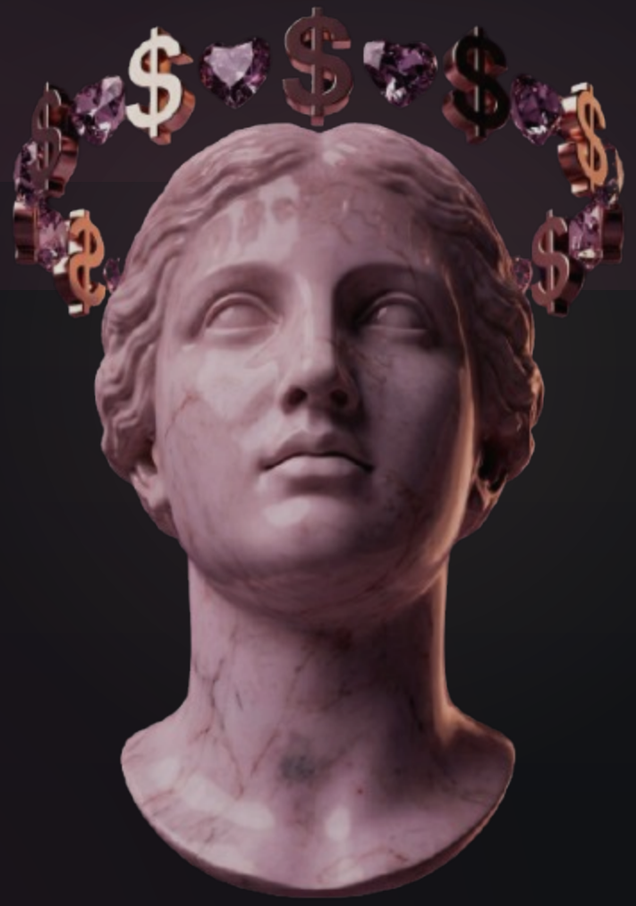
PREMIUM COURSE MATERIAL

MODULE 8

Overview

Learn How to Protect Your Social Media Accounts from Bans and What to Do if It Happens

AI INFLUENCER METHOD



MODULE OVERVIEW

Accounts are your most valuable asset. This module teaches you how platform bans and shadowbans work, the daily safety habits that protect you, what to do if you get banned, and the rules for running multiple accounts safely.

What You Will Learn

- Understand how bans and shadowbans work on each platform
- Build daily safety habits that keep your accounts protected
- Know exactly what to do if an account gets banned
- Follow multi-account safety rules to avoid linked bans

Lessons in This Module

- → Lesson 1: Understanding Platform Bans & Shadowbans
- → Lesson 2: Daily Safety Habits
- → Lesson 3: What to Do If You Get Banned
- → Lesson 4: Multi-Account Safety Rules
