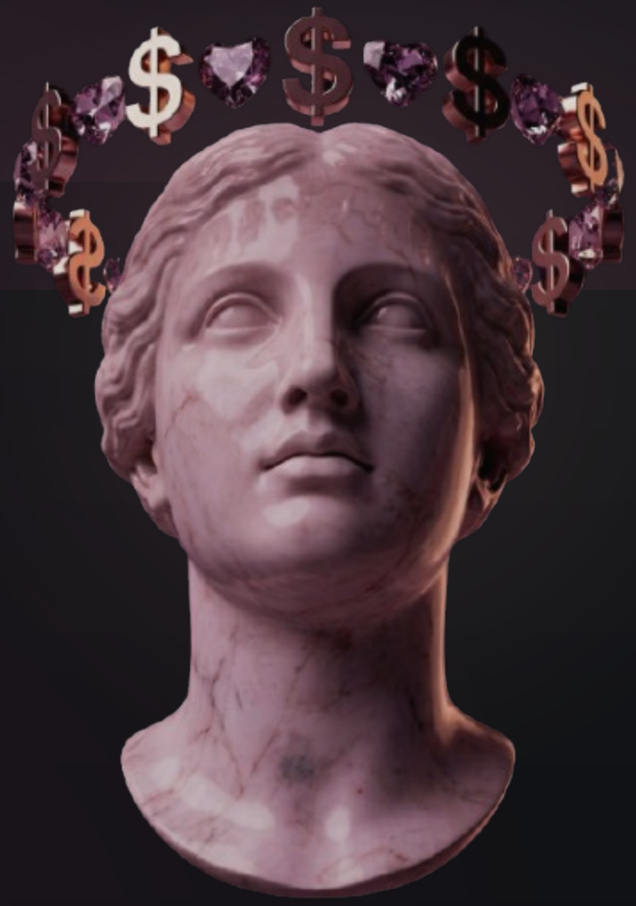
MODULE 6

Overview

Grow Your Social Medias: Instagram, Threads, Reddit, Twitter

AI INFLUENCER METHOD



MODULE OVERVIEW

Now that your accounts are warmed up, it is time to grow. This module gives you the growth strategy for every platform: Instagram, Threads, Reddit, TikTok, Twitter/X, and how to coordinate across all of them.

What You Will Learn

- Execute platform-specific growth strategies for Instagram, Threads, Reddit, TikTok, and Twitter/X
- Understand what type of content performs best on each platform
- Use cross-platform coordination to multiply your reach
- Build a consistent posting and engagement routine

Lessons in This Module

- → Lesson 1: Instagram Growth Strategy
