INTRO: THE ROLE OF X

X is not a sales page. It is a discovery environment. Its purpose is to turn strangers into profile visitors and profile visitors into fans.

A user decides very quickly whether an account feels real or fake, safe or risky, interesting or boring. If the account looks spammy, aggressive, or sexual too fast, the user scrolls away.

X is the public stage. Fanvue is the private room. A good X account feels like a real person inside public conversations, not like an advertisement.
