THREADS PHASE 1: HOW TO POST & REPLY

Goal: Force comments and profile visits. Start after warmup, or last 7 days of warmup if engagement is stable.

Posting Rules

- 1 post per day
- Always text-based
- Optional photo (cute, casual, not polished)
- Light comparison or validation bait

Post Angles to Use

- "Does anyone even like ___ girls?"
- "Am I wrong for wanting ___?"
- "My parents hate ___ about me"
- "Be honest, does this look bad?"

Reply Hijacking

- Find Threads posted 2-4 hours ago
- Reply with text + selfie
- Ask follow-up questions
- Be slightly unsure — keep them talking

GOOD EXAMPLE:

"Really? I always thought it made me look weird"

BAD EXAMPLE:

"aww ty"

You are making people reassure her, argue, and explain things to her. You are always asking for validation or opinion.

END SUMMARY

- Threads manufactures demand first, then Instagram amplifies it
- The warmup phase (21-28 days) is mandatory and boring on purpose
- Threads posts should force comments, arguments, and profile visits
- Reels launch only after Threads proves engagement is stable
- Never upload raw AI images — always edit for realism
- Geo targeting prioritizes USA/English-speaking audiences
- Patience beats aggression — this strategy fails when you quit
- Treat every post as data — repeat what works, drop what does not
