END SUMMARY

Reddit is not a main traffic source. It is a niche amplifier. It works only when the account looks real, warm up is complete, karma is built, and subreddits match the model.

One viral post in the right subreddit can outperform weeks of posting. If the account moves too fast, it dies. If the account blends in, it survives.

Karma Farming Methods

- Commenting in anime subreddits
- Posting questions in hobby subreddits
- Posting AI animal images in animal subreddits and asking for names
- Posting memes in meme subreddits
- Posting casual questions and opinions

> **REMEMBER**
>
> Get creative. Act human. Blend in.
