PREMIUM COURSE MATERIAL

MODULE 4

Overview

Learn Motion Control with Kling and How to Generate Video Prompts

AI INFLUENCER METHOD

MODULE OVERVIEW

This module covers AI video creation using Kling. You will learn motion control fundamentals, how to write effective video prompts, and how to export and optimize videos for each social media platform.

What You Will Learn

- Understand how Kling generates AI video from images
- Write video prompts that produce natural, engaging motion
- Control motion intensity and camera movement effectively
- Export and format videos correctly for each platform

Lessons in This Module

- → Lesson 1: Introduction to AI Video with Kling
- → Lesson 2: Writing Video Prompts for Kling
- → Lesson 3: Exporting & Using Videos on Social Media
