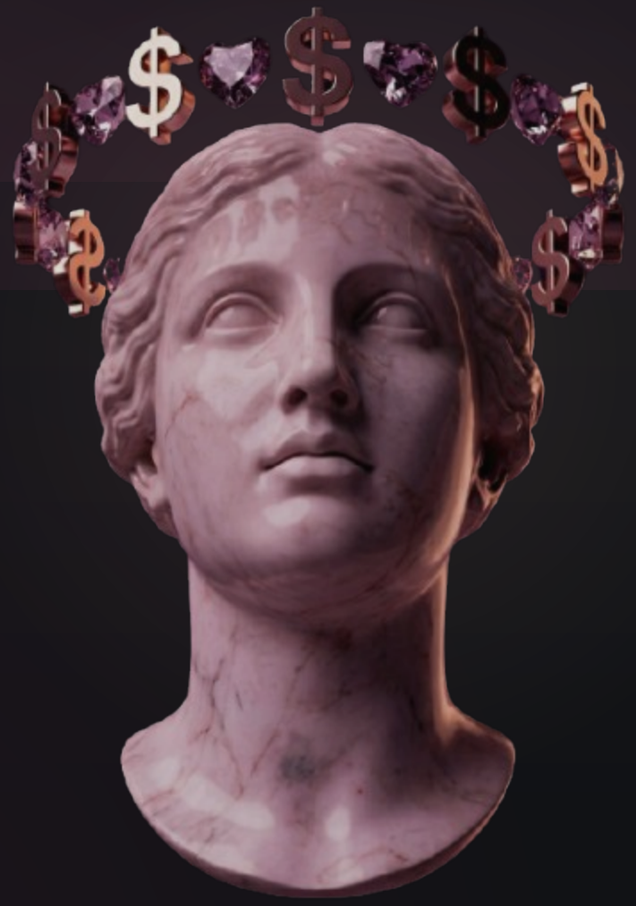
MODULE 9

Overview

Learn How to Turn Social Media Followers into Paying Fans

AI INFLUENCER METHOD



MODULE OVERVIEW

Followers are worth nothing if they do not convert. This module covers funnel psychology, content progression ladders, and automated welcome messages that turn free attention into paid subscribers.

What You Will Learn

- Understand the psychology behind why followers become paying fans
- Build a content progression ladder that drives conversions
- Set up automated messages that create connection and retain subscribers

Lessons in This Module

- → Lesson 1: Funnel Psychology & Overview
- → Lesson 2: Content Progression & Value Ladder
- → Lesson 3: Automated Messages & First Impressions
