AUTOMATED SUBSCRIBER MESSAGES

Automated subscriber messages are sent after someone subscribes. Their purpose is to emotionally reward the action and guide the fan into deeper engagement. The subscriber must feel that joining unlocked something special and personal.

Structure

- Warm welcome
- Emotional reward
- Soft direction
- Voice messages also work well

GOOD EXAMPLE:

I was hoping you would join me here. This feels more private already. Tell me what made you decide to subscribe.

BAD EXAMPLE:

Welcome. Here is my content. Check my PPV.

END SUMMARY

- The Fanvue page is a conversion environment, not a content gallery
- The banner sets the mood — it must match the persona type
- The bio must sound human, emotional, and inviting
- Free content builds trust, subscriber content builds desire, PPV fulfills fantasy
- Each content layer must leave something unfinished
- Automated messages create emotional touchpoints, not sales pitches
- Subscription price removes fear — real revenue comes from chatting and PPV
- Visual consistency protects realism and creates attachment
