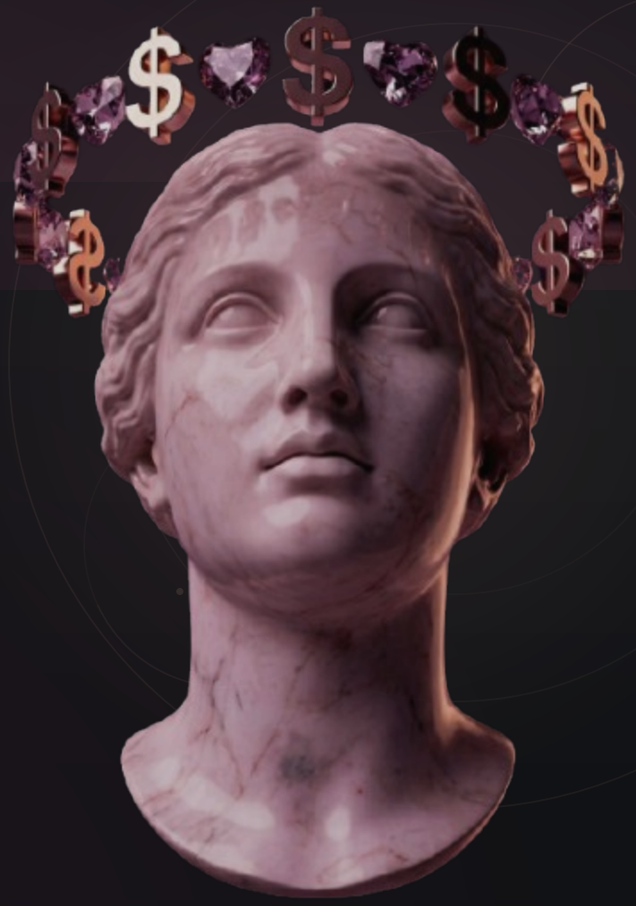
PREMIUM COURSE MATERIAL

AI FUNNELLING SOP

Free Telegram Funnel

Learn the essentials of free telegram funnel

AI INFLUENCER METHOD | OUR DISCORD



FREE TELEGRAM FUNNEL

Telegram exists to capture users who are interested but busy, in public or at work, or unwilling to enter payment details immediately.

Joining a free Telegram requires less commitment than subscribing to Fanvue. This makes Telegram the primary warming layer. Many users leave notifications ON, creating repeated exposure without Instagram risk.

END SUMMARY

- Instagram is a distribution engine, not a selling platform
- The funnel removes emotion, guesswork, and impatience from monetization
- Telegram sharpens demand for Fanvue — it does not replace it
- The funnel lowers friction at every step to capture hesitant users
- Links are placed only where they belong, only when the account is ready
- Content escalates in the correct order: free, teasing, exclusive
- When followed correctly, the funnel becomes self-sustaining
- This is not a growth trick — it is a repeatable conversion system
