INTRO: THE ROLE OF X

X is not a sales page. It is a discovery environment. Its purpose is to turn strangers into profile visitors and profile visitors into fans.

A user decides very quickly whether an account feels real or fake, safe or risky, interesting or boring. If the account looks spammy, aggressive, or sexual too fast, the user scrolls away.

Must Communicate Immediately

- Personality
- Authenticity
- Emotional tone

X is the public stage. Fanvue is the private room. A good X account feels like a real person inside public conversations, not like an advertisement.

Core Rule

The goal is not to sell. The goal is to be seen.
The fan should feel curious, not pressured.

All materials are strictly protected under AI Influencer Accelerator® rights

PROFILE: VISUAL FIRST IMPRESSION

The profile picture and header are the first emotional signal. They decide whether the account looks human or artificial. The profile must match the persona.

Profile Picture Rules

- Clearly show the face
- Natural light
- No heavy filters
- No extreme sexual pose

Header Rules

- Believable place (bedroom, couch, mirror, hotel)
- Casual and personal pose, not staged

Persona Matching

- Soft persona = warm and approachable
- Luxury persona = calm and confident
- Playful persona = expressive and chaotic

GOOD EXAMPLE:

Natural selfies, lifestyle backgrounds, soft teasing poses

BAD EXAMPLE:

Oversexualized images, text-only banners, logos instead of photos

All materials are strictly protected under AI Influencer Accelerator® rights

BIO: IDENTITY AND EMOTIONAL HOOK

The bio should sound like a person, not a business. It must feel emotional rather than technical. Personality creates desire, not features.

Bio Must Answer

- Who are you
- What happens here
- Why should I follow

Structure

- First line: mood or personality
- Second line: type of content
- Third line: emotional invitation

GOOD EXAMPLE:

Late nights and quiet trouble. I share little moments and things I like here. Stay with me.

BAD EXAMPLE:

NSFW model. Link below

POSTS: VISIBILITY AND WATCH TIME

Posts exist to build familiarity and curiosity, not to satisfy desire. The best performing style is semi-NSFW. Clean image, natural light, short human caption. Sexual tension without porn.

Post Content Should Include

- Clothed selfies
- Mirror photos
- Outfit shots
- Casual bedroom or couch photos
- Short native videos or gifs

Caption Styles

- "Long day today"
- "Would you like this outfit"
- "Late again"

Posts Should Avoid

- Full nudity
- Pornographic actions
- Toy play
- Explicit angles

Captions should feel casual and emotional, not promotional.

All materials are strictly protected under AI Influencer Accelerator® rights

REPLIES: REACH AND RELATIONSHIP

Replies are the main growth engine on X. Most followers come from being visible under large posts, not from your own tweets. Replies must feel like conversation, not promotion.

Replies Should Be

- Relevant
- Short
- Casual

Reply Rules

- Start lowercase
- Under 15 words
- One emoji max
- No links, no insults, no copy paste

GOOD EXAMPLE:

nah that's wild
i would've done the same
this feels illegal

BAD EXAMPLE:

buy my content
check my bio

TARGETING: AUDIENCE AND POOLS

The goal is not mass attention. The goal is correct attention. The main audience is men with spending power, usually age 40 and above.

They Are Interested In

- Business
- Luxury
- Cars
- Travel
- Women
- Comfort lifestyle

They do not use hashtags. They read replies under big pages.

Reply Pools

- Pool A: Viral posts
- Pool B: Niche creators
- Pool C: Small active posts

The account should reply under posts where these men already read. Over time, X builds a personality file for the account and shows it to similar users.

WARM UP: TRUST AND REPUTATION

New accounts have low trust. Moving too fast causes shadowbans and low reach. Warm up is mandatory.

Days 1-3

- 1 text post per day
- 10 to 20 likes
- 5 replies
- No adult content

Days 4-7

- 1 to 2 SFW posts
- 30 likes
- 10 replies

Days 8-14

- 2 to 3 posts
- 20 replies
- One short thread

Health Check

Account health must be checked using:
https://shadowban.yuzurisa.com
Warm up continues until all indicators are green.
Only green accounts are ready for real posting.

All materials are strictly protected under AI Influencer Accelerator® rights

SAFETY AND ACCOUNT HEALTH

Each account must use one device and one IP. Breaking these rules causes locks, shadowbans, and low reach.

Never

- Spam links
- Copy replies
- Use mass bots
- Tag many people
- Use many hashtags

Always

- Enable 2FA
- Use the same device daily
- Mark media as sensitive if NSFW
- Post and reply at natural speed

All materials are strictly protected under AI Influencer Accelerator® rights

PREMIUM AND VISIBILITY

Premium and Premium Plus increase reply ranking. They should only be activated after the account shows green status and stable reach.

The purpose is not status. The purpose is reach. Premium helps replies appear higher under big posts, increasing profile clicks and followers.

CONTENT PROGRESSION MODEL

Content must follow a ladder. If the fan gets satisfaction on X, he will not click the profile.

- → Soft public content builds curiosity
- → Stronger posts build desire
- → Fanvue fulfills fantasy

> **GOOD EXAMPLE:**
>
> *Clothed selfie → Teasing outfit photo → Fanvue nude video*

Each layer must leave something unfinished.

All materials are strictly protected under AI Influencer Accelerator® rights

VISUAL CONSISTENCY

All content must look like it comes from the same person. Sudden changes reduce realism.

- Backgrounds should be similar
- Lighting should be similar
- Camera angles should be similar
- Clothing style should be similar

The Chain

Realism builds trust.
Trust creates spending.

END SUMMARY

- X is the first filter between strangers and fans — it attracts, not sells
- Replies are the main growth engine — be visible under large posts
- Target men with spending power (40+) in business/luxury/lifestyle niches
- Warm up is mandatory — check health at shadowban.yuzurisa.com
- Only green accounts are allowed to post and scale
- Profile must feel human — personality, authenticity, emotional tone
- Content follows a ladder: curiosity on X, desire building, Fanvue fulfillment
- Visual consistency and natural posting speed protect account health
