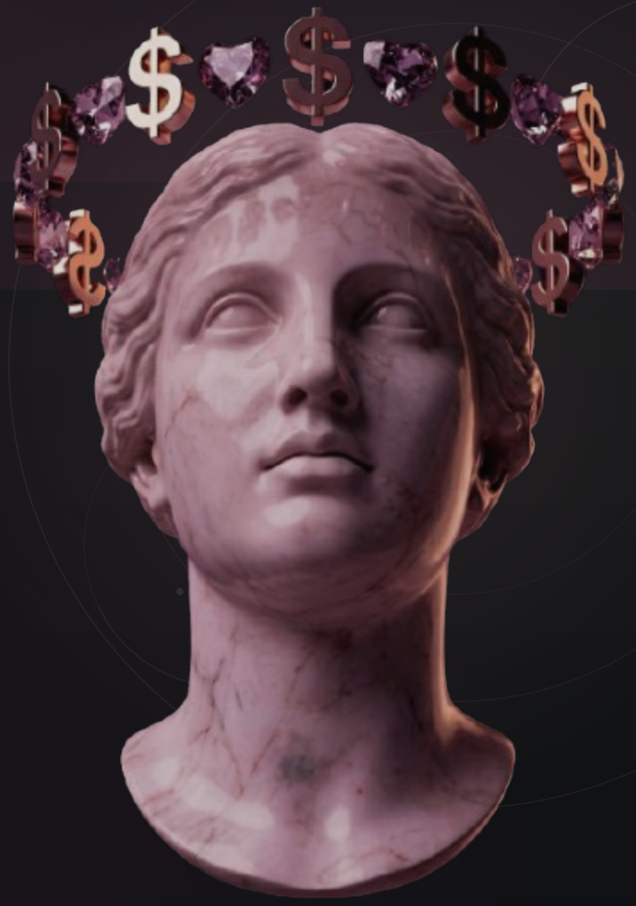
Fanvue is the platform to start monetizing your AI models



MODULE 10: CONTINUED ON DISCORD OVERVIEW

Advanced Training, NSFW Content, and Community Support

What You'll Learn

- Lesson 1: Course Completion Checklist
- Lesson 2: Your First 30 Days Action Plan
- Lesson 3: What Comes Next on Discord

Key Takeaways

- Complete the full checklist from Modules 1-9 before moving to advanced content — no shortcuts
- Week 1: Build foundation (model, content library, device setup)
- Week 2: Create all accounts, begin warmup, prepare subscription page and Telegram
- Week 3: Start posting on Instagram and TikTok, activate Threads, growth signals begin
- Week 4: Activate funnel links, start Reels daily, first subscriber conversions arrive
- Day 30 is the starting line, not the finish line — real growth happens in Months 2-6
- Discord continues with NSFW content, chat systems, advanced strategies, and real-time community support
- The most successful operators stay active in the community and share both wins and failures
