POSTS FOR SUBSCRIBERS: INTIMACY & VALUE

Subscriber content is where intimacy begins. It must feel like a reward for joining and like something not meant for everyone. The fan should feel he unlocked something meaningful, but not the full fantasy.

Subscriber Content Includes

- Lingerie
- Shower shots
- Bed photos

This layer should suggest access without showing everything. It should feel closer, warmer, and more personal than free content.

Caption Styles

- "Only for you here"
- "I would not post this anywhere else"
- "This stays between us"

Subscriber content should look like it was made for a small private group rather than for the public. Captions should reinforce exclusivity.
