FIRST SCREENING

Before any interview, applicants must be screened. This stage is about eliminating obvious bad fits before wasting time on interviews.

You Should Check

- Previous work history
- Basic English level from their written messages
- Their communication tone and professionalism

> **FILTER RULE**
>
> If a candidate cannot write clearly, politely, and in full sentences, they should not move forward.

END SUMMARY

- Chatters are operators — their performance directly affects profit and risk
- Hiring correctly increases stability and revenue
- Hiring poorly increases loss and exposure
- Live interviews, live English testing, and controlled access are not optional
- Most losses come from rushing hires, skipping tests, and trusting without verification
- Payment must be on time — delayed pay creates risk
- Structure separates scalable operations from chaos
- Treat chatters with respect — they control your revenue
