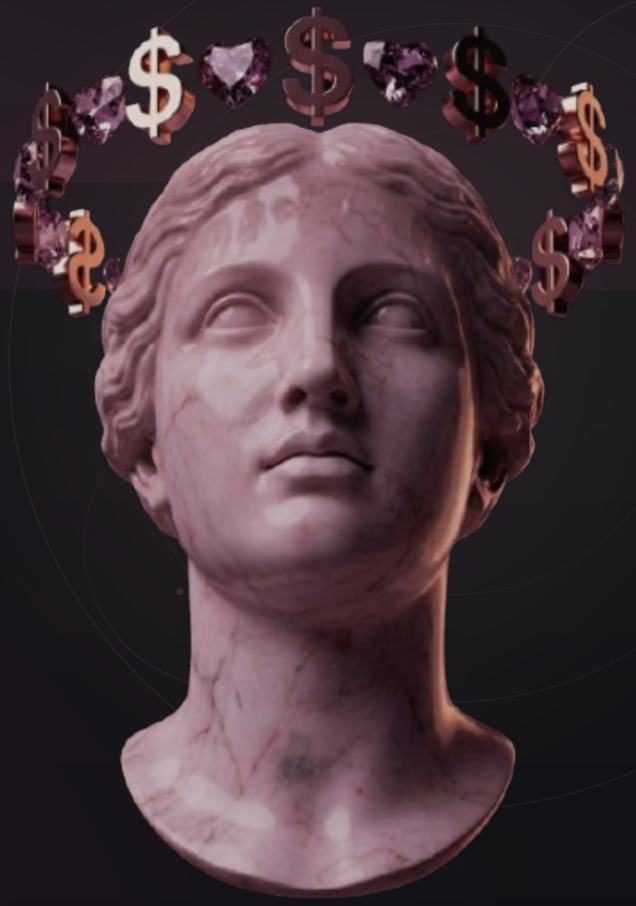
Fanvue is the platform to start monetizing your AI models



CHAT FLOW STRUCTURE

All profitable chats follow the same structure. This is not random flirting. It is structured emotional progression.

The Flow

- → Rapport — builds trust
- → Tension — builds curiosity
- → First Sale — filters buyers
- → Upsell — increases value
- → Retention — increases lifetime value

END SUMMARY

- Chat creates profit — traffic only creates opportunity
- Every message must build trust, desire, or move toward spending
- Fans spend when they feel safe, understood, curious, and chosen
- Message priority: Whales first, new subscribers second, unanswered third
- Profiling replaces guessing — gather data naturally through conversation
- All chats follow: Rapport → Tension → First Sale → Upsell → Retention
- Never beg, never rush, never argue, never explain prices
- Chat builds lifetime value, not instant money
