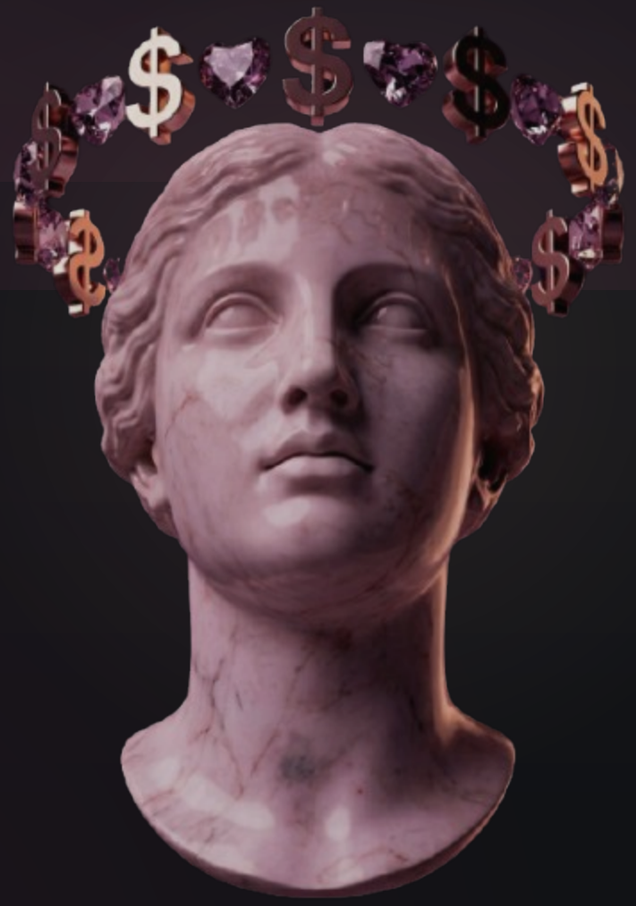
MODULE 5

Overview

Social Media Setup for Your Phone and Warmup for Your Social Media Accounts

AI INFLUENCER METHOD



MODULE OVERVIEW

Before you post anything, your accounts need to be set up correctly and warmed up properly. This module walks you through device setup, account creation, the warmup protocol, and the mistakes that get new accounts banned immediately.

What You Will Learn

- Set up a dedicated phone or device for your AI persona
- Create and configure accounts on all required platforms
- Follow the warmup protocol to build account trust
- Avoid the specific mistakes that trigger bans on new accounts

Lessons in This Module

- → Lesson 1: Phone & Device Setup
- → Lesson 2: Creating & Configuring Accounts
- → Lesson 3: The Warmup Protocol
- → Lesson 4: Warmup Mistakes That Get You Banned
