AUTOMATED FREE FOLLOWER MESSAGES

Automated messages to free followers are the first emotional touchpoint after a fan follows. Their purpose is not to sell but to make the fan feel noticed and welcome. The goal is to move the fan from passive follower into active chatter.

Structure

- Friendly greeting
- Soft personal tone
- No prices, discounts, or PPV mentions
- Create curiosity and encourage reply

GOOD EXAMPLE:

Hey, I just saw you follow me. That was cute of you. Where are you from.

BAD EXAMPLE:

Thanks for following. Subscribe now for exclusive content.

END SUMMARY

- The Fanvue page is a conversion environment, not a content gallery
- The banner sets the mood — it must match the persona type
- The bio must sound human, emotional, and inviting
- Free content builds trust, subscriber content builds desire, PPV fulfills fantasy
- Each content layer must leave something unfinished
- Automated messages create emotional touchpoints, not sales pitches
- Subscription price removes fear — real revenue comes from chatting and PPV
- Visual consistency protects realism and creates attachment
