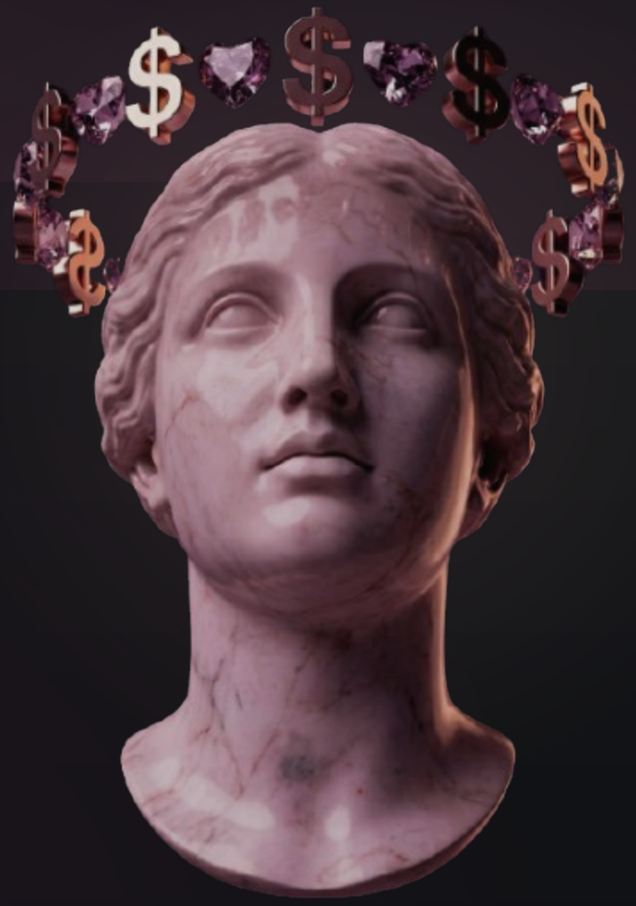
MODULE 6
LESSON 5

Twitter/X Growth Strategy

Grow Your Social Medias: Instagram, Threads, Reddit, Twitter

AI INFLUENCER METHOD



LESSON 5: TWITTER/X GROWTH STRATEGY

X is not a sales page. It is a discovery environment. Its purpose is to turn strangers into profile visitors and profile visitors into fans. Your growth on Twitter comes from being seen in other people's conversations, not from broadcasting your own content. This is the opposite of Instagram.

A user decides very quickly whether an account feels real or fake, safe or risky, interesting or boring. If the account looks spammy, aggressive, or sexual too fast, the user scrolls away. X is the public stage. Fanvue is the private room.

Profile Setup: Visual First Impression

The profile picture and header are the first emotional signal. They decide whether the account looks human or artificial.

Profile Picture Rules

- Clearly show the face
- Natural light, no heavy filters
- No extreme sexual pose
- Must match the persona

Header/Banner Rules

- Believable place (bedroom, couch, mirror, hotel)
- Casual and personal pose, not staged
- Lifestyle or aesthetic image of your persona

Persona Matching

- Soft persona = warm and approachable
- Luxury persona = calm and confident
- Playful persona = expressive and chaotic

GOOD EXAMPLE:

Natural selfies, lifestyle backgrounds, soft teasing poses

BAD EXAMPLE:

Oversexualized images, text-only banners, logos instead of photos

Bio: Identity and Emotional Hook

The bio should sound like a person, not a business. Personality creates desire, not features.

Bio Must Answer

- Who are you
- What happens here
- Why should I follow

Bio Structure

- First line: mood or personality
- Second line: type of content
- Third line: emotional invitation

GOOD EXAMPLE:

Bio: 'Late nights and quiet trouble. I share little moments and things I like here. Stay with me.'

BAD EXAMPLE:

Bio: 'NSFW model. Link below'

- Pinned tweet: your best-performing or most engaging post
- No links in bio during warmup

CORE RULE

The goal is not to sell. The goal is to be seen. The fan should feel curious, not pressured. A good X account feels like a real person inside public conversations, not like an advertisement.
