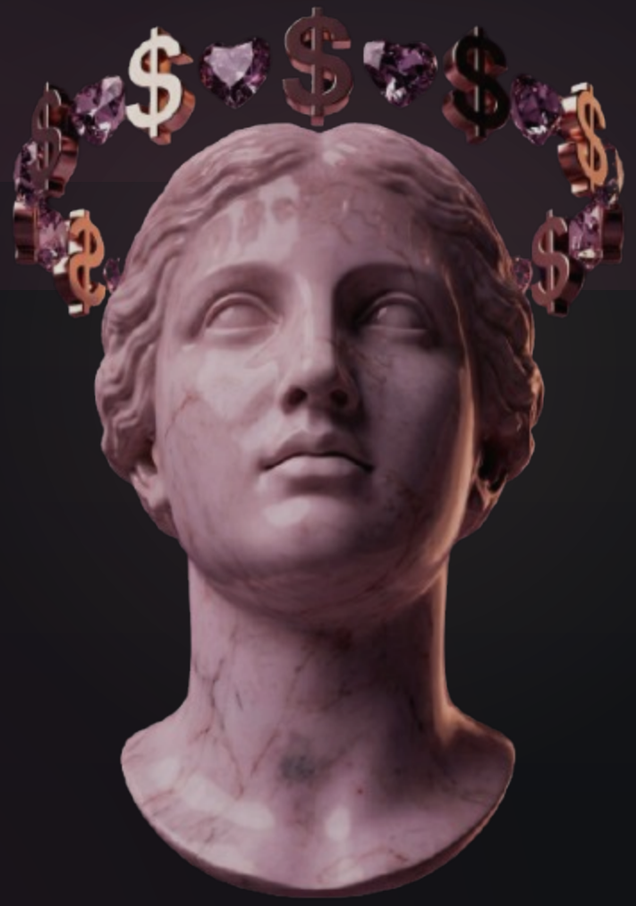
MODULE 9

Overview

Learn How to Turn Social Media Followers into Paying Fans

AI INFLUENCER METHOD



MODULE OVERVIEW

Followers are worth nothing if they do not convert. This module covers funnel psychology, link-in-bio architecture, Telegram strategy, content progression ladders, subscription pricing, and automated welcome messages that turn free attention into paid subscribers.

What You Will Learn

- Understand the psychology behind why followers become paying fans
- Build a link-in-bio funnel that drives conversions
- Set up your subscription page and Telegram channel for maximum retention
- Implement a content progression ladder and pricing strategy that converts

Lessons in This Module

- → Lesson 1: Funnel Psychology & Overview
- → Lesson 2: Link in Bio & Funnel Architecture
- → Lesson 3: Content Progression & Value Ladder
- → Lesson 4: Pricing Strategy & Subscription Setup
