LESSON 2: YOUR FIRST 30 DAYS ACTION PLAN

This is the exact sequence of actions for your first 30 days, organized week by week. Follow this plan in order. Do not skip ahead. Each week builds on the previous one. Print this out and check items off as you complete them.

Week 1: Build the Foundation

- Day 1-2: Choose niche, name, and persona (Module 1-2)
- Day 2-3: Generate base model using Seedream 4.5 and Nano Banana 2
- Day 3-4: Test face consistency with reference workflow
- Day 4-5: Begin building content library (target 15+ images)
- Day 5-6: Generate first Kling video clips (3-5 clips)
- Day 6-7: Set up phone, SIM card, VPN, and all apps
- Day 7: Create Instagram account and configure profile

> **WEEK 1 GOAL**
>
> By end of Week 1: Base model locked, 15+ images generated, 3+ video clips created, Instagram account created. You should be ready to begin warmup.

Week 3: Growth Phase Begins

- Day 15-16: First Instagram carousel posts (2-3 SFW, face-focused)
- Day 15-21: Continue Instagram warmup engagement daily
- Day 16: TikTok warmup complete — begin posting (1-2 per day)
- Day 17: Start Threads posting (1-2 posts per day, text-based)
- Day 18-19: First Instagram Stories (daily, casual, lifestyle)
- Day 20: Scale Threads to 3-4 posts per day
- Day 21: Instagram warmup minimum complete — evaluate metrics
- Day 21: Begin Twitter/X warmup if bandwidth allows

> **WEEK 3 GOAL**
>
> By end of Week 3: Content flowing on Instagram and TikTok. Threads active and driving profile visits. Growth signals visible in Instagram Insights. Ready to activate funnel links.

Week 2: Content & Warmup Begins

- Day 8-9: Continue building content library (target 30+ total images)
- Day 8: Create TikTok account (follow Day 1 rules — empty, no details)
- Day 9-14: Instagram warmup — scroll, like, follow, watch (Module 5)
- Day 9-14: TikTok warmup — Day 1-7 protocol from Module 5
- Day 10: Create Telegram channel and prepare 5-10 initial posts
- Day 11: Create link-in-bio page (AllMyLinks or Linktree)
- Day 12-14: Set up subscription platform page with banner, bio, 5-10 posts
- Day 14: Generate additional video clips for posting backlog

WEEK 2 GOAL

By end of Week 2: 30+ images in library, all accounts created, warmup in progress on all platforms, subscription page ready with content, Telegram channel prepared.

Week 4: Monetization Activation

- Day 22: Add link in bio on Instagram (only if engagement is stable)
- Day 22: Create Instagram highlight with link sticker
- Day 22-28: Begin posting Instagram Reels daily (one per day minimum)
- Day 23: Activate Telegram posting schedule (2-3 posts per day)
- Day 24: Configure automated welcome messages
- Day 25-28: Scale posting cadence across all platforms
- Day 28: Review all metrics — reach, engagement, profile visits, audience demographics
- Day 28-30: First subscriber conversions should begin arriving

WEEK 4 GOAL

By end of Week 4: Full funnel active. Reels posting daily. Telegram funnel warming followers. Link in bio live. First subscriber conversions beginning. System is operational.

AFTER DAY 30

Day 30 is not the finish line — it is the starting line. Your system is now operational. From here, your daily job is: generate content, post consistently, engage with your audience, monitor metrics, and optimize what works. The real growth happens in Months 2-6 as your systems compound. Keep going.
